LUNA IV

Run · Breathe · Be amazed

Saturday, April 10, 2027

8:00 AM start · Walker Ranch & Meyers Gulch, Boulder County Open Space

5K · 7 mi · 15 mi · Marathon

A culturally rooted trail run and hike for first-timers and ultrarunners alike. LUNA powers the physical and mental health that comes from the mix of athletics, awe-inspiring nature and forest bathing, for communities historically excluded from outdoor sports. Every distance starts together with a blessing and a forest-bathing circle. Walk, hike or run.

Youth 16 and under run free (registration required). Nominal fee for adults; tax-deductible donations fund the free youth entries and our promotores verdes.
